FALL ON NAUSET HEIGHTS

Hydrangeas reigned in our Summer gardens

Montauk Daisies grace our Fall gardens

2014 was a Wonderful Year for the Nauset Heights Association

This is the time of year, when we all wonder where the summer went. The weather this summer was just superb. We hope that you enjoyed all our NHA activities!

As we look back at the wonderful memories of the 2014 summer, we would like to remind you of the many benefits to belonging to the Nauset Heights Association. Joining or maintaining your NHA membership provides you our annual directory of all NHA members, NHA resident vehicle stickers, two newsletters a year, and all the wonderful activities planned for your enjoyment, including our lawn party, sand sculpture contest, tennis and golf tournament, and a full moon beach

bonfire! Of course you also have access to attend all association business meetings where community and town concerns are discussed.

The NHA has a wonderful website as well and communication is enhanced by our group email blasts when issues come up and members need to know about them quickly. Please make sure you look for your membership renewal in the mail in January. Don't be left out for 2015! Visit us at: www.NausetHeights.org/NHA.

A Message from Our Board President, Jim Tyng

Dear Fellow Members,

As I write this message, the winds are again howling hard out of the northeast, bringing with them the second nor-easter in just two weeks. Clearly, our summer season is over, and one hopes that the coming winter will be much milder than the long, snowy months of last year.

Looking ahead to 2015, the Board of Directors, and the events committees, have already been working on a special celebration for next year. 2015 will mark the 100th anniversary of the original sub-division of Nauset Heights. In addition to our regular sporting and beach events, we plan to celebrate with a special Centennial Birthday Party in July, and then the grand finale of the summer will be a Vintage Cottage Walking Tour of eight of our historic homes in September. The walking tour will begin at the Cunningham property, including a display of historic pictures, and finish with a reception at the Tenney property.

The Centennial History Committee is working this winter to write a book on the history of Nauset Heights, before and after 1915, and to produce a compact disc of historic maps and pictures of the Heights.

Having completed another great year of successful events in 2014, and been blessed with wonderful weather, we now look forward to a special year in 2015 with great anticipation. I wish you all safe travels during the upcoming holiday season, and the very best for your Holiday celebrations.
