### 2012 was a Wonderful Year for NHA

It's hard to believe that Thanksgiving is upon us, followed quickly by the December Holiday season! Now is a great time to think back upon a great year here on Nauset Heights and be grateful for this beautiful community. There are so many benefits to belonging to the Nauset Heights Association and each year it just gets better. Being an NHA member gives you our annual directory of all NHA members, NHA resident vehicle stickers, two newsletters a year, and all the wonderful activities planned for your enjoyment, including our lawn party, sand sculpture contest, tennis and golf tournament, and new in 2013 a full moon beach

bonfire! Of course you also have access to attend all association business meetings where community and town concerns are discussed. NHA has a wonderful website as well and communication is enhanced by our group email blasts when issues arrive and members need to know about them quickly. Please make sure you look for your membership renewal in the mail in January. Don't be left out for 2013! Visit us at: [www.NausetHeights.org/NHA](http://www.NausetHeights.org/NHA).

A Message from Our Board President, Carl Trevison

*"It seems that the summer flew by at an accelerated rate this year. As with so many of our neighbors, we had friends and family coming and going on a very regular basis, to the point where we were calling our house the Trevison B & B.*

*This is the blessing of living in this wonderful place. We are all so fortunate to be able to bring our friends to one of the finest beaches in the nation by just walking or driving down the road.*

*Nauset Heights Association activities have also kept us very busy and well entertained. The Tenney family hosted the Lawn Party and attendees considered it a great success. Everyone enhanced the event with a wonderful variety of hors d'oeuvres and this year the "kids' table" was a smashing success with our youngsters.*

*Thanks to the hospitality of the Tyngs, the Farnhams and The Spencer/ Dunham family we had three great venues for the Tennis Tournament. Many thanks to Jim and Pat Tyng for chairing this great event. Again this year Fred Turner coordinated a very successful Golf Tournament. Our newest event was the Sand Castle Building Contest. Being a first-time event we weren't sure that we'd get a good turnout. Well, what a surprise. Walking down the stairs we were greeted by a sea of children, adults and families, busily working on their sand creations.*

*As winter arrives at our doorstep we have many warm memories of a fun summer with friends and family here at Nauset Heights. I wish you all the very best in your Holiday celebrations and travels throughout the upcoming season.*

**2013 IS COMING! HOW WOULD YOU LIKE TO BE INVOLVED IN NHA?**

NHA is a wonderful association, but it could be even better if you were involved.

We are always in need of members who want to go the extra mile and become more involved in our association. Getting involved is a great way to meet your neighbors

and develop friendships. We especially invite new members to contact us and volunteer in any area.

If you would like to head a committee, join a committee or help out in any other way, please feel free to contact us at: [nha@nausetheights.org](mailto:nha@nausetheights.org).

**WILDLIFE ADVENTURES ON NAUSET HEIGHTS**

This was certainly an exciting wildlife year on Cape Cod. Our now famous black bear was spotted all over the Cape, including right here on Nauset Heights. It is believed that the bear swam across the Cape Cod Canal. He traveled all the way to Provincetown and was reported on the national news. Tourists usually come for our beaches, but they got an extra bonus with our black bear!

Eventually it was captured, tranquilized and taken off Cape back to western Massachusetts.

Another unusual wildlife adventure occurred on the Heights this summer as well. A bald eagle was spotted by one of our residents and the Wild Care Center in Eastham was called, as the eagle was in distress. After a one month rehab for the eagle, it can be seen here being released at Fort Hill in Eastham. Nauset Heights members received an invitation to attend since the rescue began here.
