BEAUTIFUL NAUSET HEIGHTS

Nauset Heights Association Has A Wonderful Year
Planned for 2013.

Make sure you are a member!

Don't miss all the fun!

This winter was a very memorable one as our usual mild temperatures and dustings of snow were replaced with cold chill, gray skies, and snow covered landscapes by Jack Frost himself. However, rejoice, since spring is upon us with milder days and thoughts of walks on our beautiful beaches, gardening, and returning birds, including the snowbirds!

By now hopefully all of us have sent in our membership forms and dues for 2013. There are so many great reasons to be part of the Nauset Heights Association, including our neighborhood directory, summer vehicle stickers,

communications through our website, newsletters, and emails about immediate news.

Please consider joining one of our neighborhood committees (See Page 2) and lending a hand. This is a great way for newer members to get to know their neighbors! Visit us also on the web at:

A Message from Our Board President, Carl Trevison

Another long winter has drawn to an end and the many delights of springtime have returned including birds, flowers and neighbors. It is always nice to see an increasing number of houses illuminated in the evening as seasonal residents return to their homes.

This has been an especially "interesting" winter for those who remained on the Heights. "Storm Nemo" brought extremely strong winds and abundant snow. The storm brought down trees, impeded travel and re-sculpted the seashore. During periods of high winds and strong ocean surges, the sea water washed over the North Spit bringing high volumes of sand into the Harbor area below the NHA stairway. There was extensive dune erosion on the ocean side and I imagine that bird nesting areas were affected. Hopefully you were able to view some of the storm photos taken by some of our hearty, year around neighbors.

Looking forward, we have a busy NHA activity season ahead of us. Along with membership meetings, we'll again feature the Golf Outing, Tennis Tournament, Lawn Party, and Sand Sculpture Contest. We've added a Family Beach Bonfire planned for the evening of the Sand Sculpture event, so break out your favorite S'mores recipe.

Your NHA Board of Directors and Committee Members remain busy planning activities, managing the budget and advocating on behalf of our neighborhood. Their hard work and dedication on behalf of all of us is very much appreciated. It is my privilege to work with them. We, of course, value your input and we always look forward to hearing your suggestions and comments.

I wish you and your families the very best for a fun-filled summer.

NHA EVENTS IN 2012: JOIN NHA TODAY AND START MEETING YOUR NEIGHBORS!

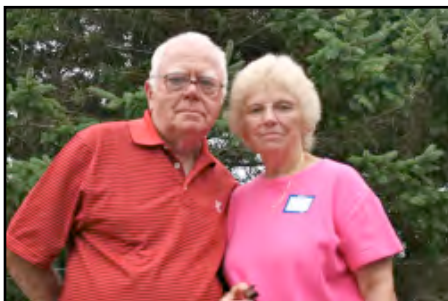

We had a large group of NHA golfers at our Golf Outing in 2012. Consider joining them this summer.

Nauset Heights Association is composed of families and retirees, children, and grandchildren. We plan activities and fun events for all ages!

OUR 2012 LAWN PARTY WAS A HUGE SUCCESS!

Good food and company is always a hit.

WHAT'S NEW ON THE HEIGHTS ?

Our Nauset Heights directory is in a new and improved format this year. We hope you enjoy it! This is a wonderful resource to help us keep in touch with friends old and new in our community.

There are new beautiful aerial shots of Nauset Heights on the website at: <http://www.nausetheights.org/photos/aerial/> . Take a look at how our community looks from way up high. Hint: still beautiful....

We have a brand new activity for you this summer! We are planning a Full Moon Beach Bonfire on the outer beach for all ages on July 20th. This looks like so much fun. Come out

and enjoy it with your neighbors. This could easily become an annual event for us.

Vehicle stickers for Nauset Heights residents and their guests were introduced last year and will continue this year as well. Our roads become a little congested during the summer months and the stickers alert the police department to the fact that you are one of the lucky people to live here. They can then direct you past traffic to get you home in a timely manner.

We are now taking suggestions for new events for next year. Have an idea? Share it with us.

WE ARE LUCKY TO LIVE IN AN AREA THAT PROVIDES AN ARRAY OF SERVICES SUCH AS THESE.

HISTORY FACT

The first Village of Nauset was settled by Native People around 4,000 years ago. Originally hunters and fishermen, they eventually began to plant small gardens of corn, beans and squash.
