

Nauset Heights Association, Inc.
Member Meeting Minutes
July 9, 2022
Home of Kathy Pattison and Dave Stricker

President Ann Deming welcomed members to the meeting at 9:12 AM and thanked Kathy and Dave for hosting.

She introduced Scott Zenke who had invited the speaker for the meeting. Scott introduced Brandon Burke, who is the Natural Resource Officer/Beach Director for the Town of Orleans beaches. Brandon described his duties as largely administrative, with responsibility for recruiting, hiring, and training staff; budgeting, scheduling, and payroll. He gave a brief summary of plans and developments regarding town beaches, and then spent a generous amount of time answering questions from the floor. Some of these included beach safety, beach access, plover management, beach patrol and staff, and the status of the new parking lot. Brandon said he appreciated the input, and planned to discuss some of the suggestions and issues raised with his supervisor, Nate Sears.

After the speaker, Ann asked if there were any new members present. They included John and Kimberly Stott of 7 Doane Road, and Ken and Carol Rubin of 22 Priscilla Road. Kathy Pattison welcomed each couple with complimentary NHA hats.

Bob Colquhoun gave an update on plans for the Lawn Party, which will take place on Saturday, July 23. He mentioned that the ticket price has been raised to \$20 per person in advance, and \$25 per person on the day. Once again, all food and beverages will be provided. Bob introduced Lawn Party Committee member Laura Ogonowski, who passed around a clipboard with the request for volunteers to sign up for brief shifts at the bar and food tables.

Ann Rickard, who is in charge of party centerpieces, asked for contributions of flowers, since Nauset Height gardens are blooming later than usual this year.

At 10:15 the meeting was adjourned.

Respectfully submitted,
Pat Tyng, Recording Secretary
